MISSIONARY MOMENTS

Note from The Rafiki Foundation:

As Rafiki continues to grow with new children arriving, establishment of the Advanced Learning Institutes and more curriculum and Bible studies being written, your generosity is more appreciated than ever. Last month an eagerly awaited shipping container filled with 7,500 hand-crafted items from the Widows Programs in Kenya, Malawi, Tanzania, Uganda and Zambia arrived at the Rafiki Home Office. Because of your support, these widows are being trained and equipped to produce these goods, earning an income for themselves and their children. You can view these unique, well-made gifts on the Rafiki website, at <http://store.rafikifoundation.org>. The sale of these baskets, linens, earrings necklaces, carved and inlaid wood items clothing and more goes directly to the widows who created them, providing a livelihood for their families.
