MISSIONARY MOMENTS

Dear Island Chapel,

Greetings to you in the sweet name of our Lord and savior, Jesus Christ, who is going to come very soon. Thank you for being with **North India Christian Ministries** to reach the unreached. Because of your support and prayers our Missionaries are able to reach several unreached people every month and bring them to the saving knowledge of our Lord Jesus Christ.

God is doing great things. Our Missionaries in the villages are doing great work for the Lord, in spite of all the hardship and persecution. People are free from Sin and Idol worship. I personally visited many of our NICM missionaries last month in different meetings. Everyone has different stories to tell, and several needs to meet. Few of them are going through great persecution.

Missionary Training Center: We are equipping end time harvesters. As dedicated young men from different villages, they will come and stay at our training center. We train them in their own language and send them back to their village. We provide their basic needs and stand with them by providing their needs until they become self sufficient.

School for Needy Children: in Delhi and in Haryana State. There are close to 400 children in both schools getting an education and we are teaching them the love of God; and reaching their families for Jesus. When these children go through our school they will have a place for Jesus in their heart.

Vocation Training for the Persecuted Women: This is a training program where they have a chance to learn something that can help them earn their own living, and be a living witness for Jesus.

Join with NICM to reach North India for Jesus. We need your prayers and support. We can together make a difference for Jesus.

Your brother in Christ for the unreached North Indian villages, Abraham Philip, NICM
