MISSIONARY MOMENTS

Dear Island Chapel:

Thank you for your recent donation to D&D Missionary Homes. As you are probably aware, D&D started in 1949, as a 'home away from home' to missionary families preparing to go to a foreign mission field or returning home from serving on a foreign mission field. Although times have changed, and the ministry has grown from a single cabin to over 50 homes, our primary ministry of serving and providing a home to Bible-believing missionary families remains the same.

In 2012, we began Next Step Village, a two-year residential ministry to help a few single parent families get a fresh start after the loss of a spouse through death, divorce, or abandonment. It is very rewarding to watch single parents recover and grow spiritually and see the children of broken homes playing and living the Christian environment of D&D.

In 2013, we started our LifeSpring ministry, a project to help provide water filters and filtration systems to missionaries serving in areas where the source of water contamination with parasites and bacteria that cause illness and death.

Whether you supported D&D, or designate your donation to be used toward our Next Step Village or LifeSpring ministry, your gift is appreciated and used as you suggest.

Thank you once again for your generous donation. Your financial and prayer support make it possible for D&D to continue the work God has called us to do.
