**MISSIONARY MOMENTS**

**North India Christian Ministries - NICM**

Thank you for your prayers and support for the ministry in North India and Nepal. God is doing great things. Every month, through our native missionaries NICM is reaching several new unreached villages in India and in Nepal. Many people are learning about the good news of our Lord Jesus Christ. Every day people leave their idols and idol worship and are coming to the only living God.

Our Children schools are now open for the new academic year. Over 600 student total are in our two schools. All are Hindu and Muslim children. Missionaries are reaching their parents. Please pray for these children. Every day they hear a bible story at the school. Our school teachers learn this story before they teach it to the children, and even Hindu teachers are coming to Christ. Pray that God may touch the hearts of the children, so that they may have a place for Jesus in their heart.

Pastor Amos was born in a Hindu home in Nepal, and came to Delhi when he was a young man. One day he got a bible tract in the busy streets in Delhi, and he read it. What he read convicted him of his sins and he gave his heart to Jesus. I met Amos in 1997, I then sent him to Bible training. For the last 20 years Amos has been working with NICM, and giving leadership for the ministry in Nepal; also reaching Nepali community in different parts of India.

God is doing great things among the Nepalese believers. We need more training for these young men and women coming to Christ. We need to train them, and send them to Nepal, to reach the unreached.

Blessings,

Your Missionary for North India and Nepal  
 N A Philip
