Matthew 5:16

MINISTRY MOMENTS

A Proven, Repeatable, and Sustainable
 Evangelism and Church Planting Model

The Method

Their success in soul winning, church planting and discipleship stems from their use of a proven model of evangelism that's repeatable and sustainable from one generation to the next.

It is their Summer Evangelistic Church Planting Ministry...

Instead of going home for summer break, many of the students and all of the faculty from the Bible colleges volunteer to become part of evangelistic teams that spread out all over India, Nepal and Myanmar (Burma).

Typically, 60-70 teams are sent out with 6-8 students, faculty members and some local pastors in each team.

Here's what they do:

- Door-to-door visitation inviting people to gospel meetings, witnessing and handing out tracts.
- Hold street meetings
- Preach the gospel, sing, and give testimonies at evangelistic meetings.
- Deal one-on-one with inquirers.
- Lead people to the Lord so that pastors can follow-up for discipleship and baptism.
- Do follow-up work that results in home Bible studies and new church plants.

The Ministry has been using this same proven method of evangelism, discipleship, and church planting for over 42 years. Since 1980, over 80 percent of their graduates have planted churches. Today, these men pastor over 3,900 churches, with over 400,000 members.

You have the opportunity to change the world--one soul at a time--by investing in a ministry with a 42-year track record of results using a proven, repeatable, and sustainable model.

Plus, you are investing in the lives of:

- A leadership team that is fervent about soul winning and church planting.
- Pastors who've put their lives on the line to preach the gospel.
- Students that are carefully selected because of their commitment to the gospel of Jesus Christ.
- Widows who are often rejected by family because of their faith in Christ.
- The fatherless who need to learn of their Heavenly Father's love.
- Lepers who are treated as outcasts.
- Persecution and disaster victims who need to see the love of Christ.
