MINISTRY MOMENTS

**Rafiki Foundation**

Education Program

The Education Program seeks to cultivate minds and hearts that love God, their neighbor, and all that is true, good, and beautiful. Each Rafiki Village includes an accredited school for Pre-Kindergarten through twelfth grade for the children who live at the Village and for a limited number of children from the surrounding communities. All are instructed with the Rafiki School Curriculum - a quality, academic curriculum integrated with a biblical worldview and knowledge-centered methodologies. The Rafiki Bible Study, a comprehensive study of the Bible, is an integral part of the curriculum. Written for the people of Africa and the missionaries that serve them, the Rafiki Bible Study is a thirteen year survey of the Bible with levels ranging from preschool to adult.

**Bible Study Program**

The most important and foundational goal of The Rafiki Foundation is to help the people of Africa know God. Therefore, the Foundation's main mission is to provide a Bible study suited for men, women, and children in Africa and to make it available free of charge to those who want to know God. Our aim is to see the RBS (Rafiki Bible Study) used by all participants in The Rafiki Foundation, in Rafiki Village schools, and in Partner Denominations' and local government schools and colleges that request it.
