MINISTRY MOMENTS

The mission of the Florida Baptist Convention is to support local churches in their mission of making disciples of all nations through the Gospel of Jesus Christ.

Their vision is to be "Right Beside" the local church and pastor. The focus will be to support, strengthen and encourage the local church through partnerships for Kingdom ministry.

We are ministering in His name through hurricane Florence disaster relief.

The North American Mission Board reports that, even before hurricane Florence made landfall, we were preparing to provide help and hope. The NAMB partners with several local, state and federal agencies to coordinate an effective response.

Feeding, chainsaw and mud-out units are set up in multiple locations in the Carolinas, providing thousands of hot meals, essential supplies and trained volunteers to impacted communities.

Your giving to the Florida Baptist Convention supports these efforts and the Southern Baptist Disaster Relief teams. Please continue your prayers for the safety and sustainability of the teams, victims and residents of those impacted by hurricane Florence.
