Scripture Memorization

Joshua 1:9

"Haven't I commanded you: be strong and courageous? Do not be afraid or discouraged, for the Lord your God is with you wherever you go."

MINISTRY MOMENTS

Missions Made Possible is a non-profit agency that provides life guard and emergency relief flights for those in need of sudden transportation due to unfortunate health problems.

We are in a position to provide emergency response to cancelled flights due to weather or mechanical difficulty, and we are able to provide flights with very short notice. Our "Life Guard" flights include transportation of transplant patients and/or patients with life threatening events.

Our "Humanitarian Missions" provide support and aid to emergency areas including transportation of blood plasma, medical supplies and/or emergency response personnel.

Our mission is to provide transportation to ambulatory patients throughout the South East United States on an emergency basis.

We intend to maximize the above efforts through the use of several aircraft and volunteer pilots and support personnel where possible.

Our company seeks donations from the public through speaking engagements, fundraisers and through our website to meet the needs of these missions.

Through the donation of funds and corporate support, we will be able to fill more requests for these emergency flights, thus helping more people.
