MINISTRY MOMENTS

NORTH INDIA CHRISTIAN MINISTRIES
www.nicministries.org

North India Christian Ministries (NICM) is a church-planting ministry to reach North Indian villagers for Christ. NICM is led by a group of men and women who have a heart and passion to win lost souls. Headquarters is in Delhi. Ministry is all over India and also in Nepal.

North India Christian Ministries is committed to spread the gospel in India with integrity and accountability.

NICM Ministries:

Bible School: The current training center is located Delhi, about 20 miles from Delhi International Airport. We bring native missionaries from different villages and states, and we recruit them with the help of the local pastors and our state coordinators. After their one year of training on church planting, we send them back to their own villages to start a new church. While they are at our training center we provide them with boarding, food, tuition, and weekend ministry opportunities with our different churches.

Church Planting: Our native missionaries are working in different parts of India under the banner of Evangel Bible Church. We are seeing tremendous growth among the different unreached societies, with the help of the native missionaries who know the language and culture of the people. We train and send them with the tools necessary for the ministry, including bicycles, literature, and financial help for housing, food and travel. These missionaries have no other support and some of them have been rejected by their own families due to their faith in Christ.

NICM Ministries Cont.

Literature Ministry: Freely distributing tracts and New Testament Bibles door to door. Day to day, we have seen the mighty movement of the Holy Spirit in and through this ministry.

School and Orphanage: There are around 390 students in the school which is located in one of the largest slums in Asia. We provide the children with a free education and we currently have 10 teachers employed. God has provided us with land for a new school building, which will accommodate 1700 children. The orphanage in Orissa helps poor and needy children; it is located in one of the poorest states of India.

Vocational Training Center: Helping widows and ladies in the villages, we started sewing centers to train local women in tailoring. Those who complete the tailoring course receive a sewing machine.

Thank you for your support of this ministry.
