Scripture Memorization

Matthew 22:37-39

He said to him, "Love the Lord your God with all your heart, with all your soul, and with all your mind. This is the greatest and most important command. The second is like it: Love your neighbor as yourself."

MINISTRY MOMENTS

Missions Made Possible (MMPI) is a Christ-centered foundation that reaches out to educate, clothe, and feed children that are orphans. They also provide other useful tools to increase their ability to support themselves. MMPI has grown from a few children to over 414 children in an orphanage/school in Uganda. MMPI has created a library and art classroom plus a computer room with nine computers with fifteen more computers on the way. Nabembezi Primary is now five years old and their reputation is growing quickly as the prime example for the district.

Recently MMPI in West Bengal, India put a girl through five years of law college. She just recently passed her bar exam. MMPI's plans are to bring her to the USA to get her international degree at Stetson Law College.

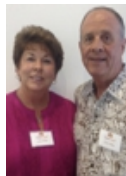

One by one MMPI is able to spread the gospel and give opportunities to those in need.
