**Scripture Memorization
March**

1 John 1:9

If we confess our sins, He is faithful and righteous to forgive us our sins and to cleanse us from all unrighteousness.

MISSIONARY MOMENTS

Please pray for these missionaries this week:

Dr. Larry and Sally Pepper are Southern Baptist missionaries to Tanzania. Before serving as a medical doctor through the International Mission Board, Larry was a flight surgeon for NASA, supporting the space shuttle program from 1988-95. Larry says friends and colleagues thought he was crazy when he left NASA for the mission field. But the Peppers don't agree. Since being appointed 17 years ago, they have worked in Uganda, Lesotho and Tanzania, where Larry now works in Kigoma Baptist Hospital. The Peppers share the Gospel with the Ha people and work to revive the evangelistic nature of the hospital. Cooperative Program gifts support practical - and life changing - ministries such as medical missions.

2 Timothy 1:5

Christian stewardship includes the way we live our lives before our children. Mothers like those in Timothy's family - Lois, his grandmother and Eunice, his mother, were good stewards in the home. Most stewardship, including giving, is learned in the home.

Your generous giving helps support these ministries. Thank you.

These are the ministries that we currently support:

- ◇ Manna on Wheels
- ◇ North India Christian Ministries
- ◇ Rafiki Foundation
- ◇ Military Ministry
- ◇ D & D Missionary Homes
- ◇ New Orleans Baptist Theological Seminary
- ◇ The Next STEPP Pregnancy Center
- ◇ Florida Baptist Children Home
- ◇ Intervarsity
