Scripture Memorization March

1 John 1:9

If we confess our sins, He is faithful and righteous to forgive us our sins and to cleanse us from all unrighteousness.

MISSIONARY MOMENTS

Please pray for these missionaries this week:

Don Coldwell is a church planting intern in his home state of Maine. Mainers are an extremely independent group of people. They take care of themselves in every way possible and feel no need for any spiritual growth or upkeep. The church is no longer considered useful in Maine. That is why Don, his wife, Laurie, and their three children are looking to impact Maine by planting churches. Pray that Don and Laurie will have the fortitude to keep working the fallow soil of Maine. Pray, also, that the two Haitian children they are adopting will be with them soon. The Cooperative Program enables missionaries to serve in the hard places both near and far away.

Colossians 3:23

Giving to God is an act of celebration. We give not to impress people but as a response to what God has done for us. Let us give enthusiastically and generously because our gifts are for His glory.

Your generous giving helps support these ministries. Thank you.

LAPTOPS or PC's FOR STUDENTS!!!

Do you have a functioning laptop or PC (no Macs) you are not using? Palmetto High School has no funds to provide new laptops or PC's for students. The school district has programs, they just need the laptops and PC's! This is the perfect way to re-purpose your unused equipment and put it to good use, providing educational needs for young people.

Contact Lori Fabiano at 727-331-0353 for information - before bringing your laptop or PC.
