Scripture Memorization July

2 Chronicles 7:14

and My people who are called by My name humble themselves, pray and seek My face, and turn from their evil ways, then I will hear from heaven, forgive their sin, and heal their land.

MISSIONARY MOMENTS

Please pray for these missionaries this week:

Southern Baptist missionary Salt Jones connects people, organizations and resources to reach European peoples with the Gospel. His wife, Susan focuses on building relationships with East Asians. They reach diverse people groups in a university town in Canada, where they interact with a myriad of people, languages and cultures. Salt was nicknamed after his father, who received the nickname "Salty" from the salt blocks used for cattle on the ranch where he grew up. Today, Salt's unusual name is a conversation starter, especially with people who speak other languages. He uses it as a way to introduce the Gospel to them as salt and light to the world (see Matthew 5). Cooperative Program gifts make university-related ministries possible worldwide.

Galatians 5:1

Freedom is precious to Christians. God created us free to manage our lives and the material resources that He provided for our use. We have freedom to use a worthy portion to serve Christ, as when we give to our church. This pleases God and fills our own lives with joy.

Your generous giving helps support these ministries. Thank you.
