Scripture Memorization July

2 Chronicles 7:14

and My people who are called by My name humble themselves, pray and seek My face, and turn from their evil ways, then I will hear from heaven, forgive their sin, and heal their land.

MISSIONARY MOMENTS

Please pray for these missionaries this week:

Ten million people live in Ho Chi Minh City, Vietnam, the largest city in Vietnam and the economic and manufacturing hub of the entire country. Formerly known as Saigon, the city was renamed in 1976 to honor the late president. The streets of the city are filled with constant activity, new construction and new businesses. Yet beneath the positive veneer, Ho Chi Minh City remains anchored in darkness. Scarcely 2 percent of the population has faith in Jesus Christ. The most predominant form of spirituality is ancestor worship. Gifts through the Cooperative Program support Southern Baptist representatives who seek to share the one true God with the people of Vietnam.

Genesis 14:18-22

A person's giving to God is prompted by a basic attitude. Abraham is an example. His attitude was that all he had belonged to God. He refused to keep the things he captured in battle even after he gave 10 percent of it in gratitude and worship. Unselfishness and giving go together.

Your generous giving helps support these ministries. Thank you.
