MISSIONARY MOMENTS

Please pray for these missionaries this week:

When IMB missionary Delores York visited an orphanage near Port-au-Prince, Haiti, she discovered a pathetic situation: children with swollen bellies, skinny frames and discolored hair, signs of malnutrition and anemia. Baptist Global response - a global relief and development organization - responded with emergency funds for food. When children received the food, they were "rejoicing like it was Christmas, not for toys or candy but (for) just plain food," said York. As news of the need spread, U.S. churches began to respond immediately. Meanwhile, Baptist workers in Haiti are building and stocking a fish pond, chicken coops and pens for goats and pigs at the orphanage to provide children with ongoing sources of protein. Fruit trees have also been planted. Praise God for the cooperative spirit of Southern Baptists.

Nehemiah 12:43-44

Nehemiah led the people to rebuild the wall of Jerusalem. The people responded to God's blessings and protection with worship. Among others things, they brought contributions, first fruits, and tithes to express their worship.

Your generous giving helps support these ministries. Thank you.
