MISSIONARY MOMENTS

Please pray for these missionaries this week:

As a young adult, Terry Dorsett often wondered who would be left after a short mission trip to continue to tell people about Jesus. Yielding to God's call to be the one who stayed behind, Terry became a church starter, focusing his efforts on young adults in New England. With your commitment to the Great Commission by giving through the Cooperative Program, Terry has been planting churches in New England since 1993. During your prayer time, ask God to help existing churches see the need to start new churches.

Amos 6:4-6

We spend our life's energy and money for many things - food, clothes, housing, transportation, recreation, gifts, etc. Often, we are tempted to overspend for things of lesser importance. The most important thing for which we expend life and money is sharing the gospel.

**Your generous giving helps support
these ministries. Thank you.**
